

Business DE-DK, on schedule.

4-Week Social media Content Calendar

Five pillars carry every post

Each weekday post is tagged to one of these pillars.
The mix below is the target ratio across the month.

P / 01

Business Cooperation

B2B matchmaking, partner spotlights, member success.

P / 02

Data & Insight

Labor market, investment climate, industry hooks.

P / 03

Talent & Workforce

Relocation stories, hiring tips, recruitment guides.

P / 04

Events & Network

Teasers, recaps, conference and pitch-day coverage.

P / 05

Regional Visibility

EU & Interreg, media features, place stories.

📍

🔖

What if relocating across the border didn't have to feel like navigating a maze?

Gwyn Nissen, Editor-in-Chief of Der Nordschleswiger, knows the reality: families moving to the Danish-German border region face too many actors, too little coordination, and often give up before they even arrive.

Watch the full interview via the link in bio.

💬

📍

🔖

3 things that trip up businesses expanding across the Danish-German border:

- ✓ Not knowing which trade laws apply and where
- ✓ Missing the right legal contacts before signing contracts
- ✓ Underestimating export compliance on both sides

We've built a complete guide so you don't have to figure it out alone. Check it through the link in bio

Two cultures. One workplace. Zero friction.

Moving to Denmark is about more than just finding a job, it's about feeling truly at home. Real integration happens when workplaces support language learning, facilitate local networking, and show open curiosity toward an employee's background.

Ready to help your team thrive? Watch the full video to discover how simple gestures make a huge difference, via the link in bio.
